STATE OF HOCKEY

BOB SUTER
1957 - 2014

Robert Allen Suter "Grandpa Bobby" passed away suddenly at Capitol Ice Arena, doing what he loved best, working at his hockey rink on Sept. 9, 2014. He enjoyed incredible success as a hockey player and dedicated his life to mentoring kids of all ages. Suter had a significant influence on the entire hockey community building the Madison Capitols hockey association into one of the best hockey training and development programs in the country.

He was born in Madison, Wis., and graduated from Madison East High School where he helped lead his hockey team to a state championship in 1975. Suter then attended the University of Wisconsin where he won a national championship in 1977. The defenseman was a member of the 1980 U.S. Olympic "Miracle on Ice" Hockey Team that won a gold medal and played one season for the Nashville South Stars (1981-82), before returning to Madison where he opened Suter's Gold Medal Sports and started his coaching career.

In 1999, he played a major role in building Capitol Ice Arena in Middleton, Wis., spending the next 15 years running the rink, proshop and coaching the Madison Capitols. Suter also served as a scout for the Minnesota Wild from 2012-14.

He was the pillar of his family, always there when you needed him. Suter is survived by his parents, Marlowe and Delores; Mary, his wife of 16 years; children, Justin, Ryan, Garrett, Jason and Tyler; grandchildren, Jut, Jillian, Brooks, Livee, Sawyer and Avery; and first wife, Diane.

VIC ST. MARTIN
1937 - 2014

The Minnesota hockey community was saddened by the passing of the man known popularly as "Como Boy" on May 5, 2014. A lifetime resident of Como Park, the affable Vic St. Martin was a longtime teacher and hockey coach who graduated from Cretin High School (now Cretin-Derham Hall) in 1955. He then moved on to the College (now University) of St. Thomas where he played four years of varsity hockey before graduating in 1959. Playing for the legendary Ken Staples, he won four letters, was the leading scorer his junior and senior years, and captained the team in his senior year.

A high school teacher and coach for 38 years, Vic taught at Benilde (now Benilde-St. Margaret's), Tartan, and Maplewood High Schools while coaching hockey at Benilde, Tartan, St. Bernard's, and St. Paul Johnson. His proudest achievement was founding the Tartan program in 1970. The program moved into elite play soon after its start, and while success was not immediate, it eventually became competitive. Among many hard working players were such All-Conference performers as Dick Leider, Paul Faltisek, and John Lodahl, while Larry Fronczak and Larry Boyle were dedicated assistant coaches.

Reflecting his years of dedicated service, Vic was inducted into the Minnesota Hockey Coaches Association Hall of Fame in 2008 and the Tartan High School Hockey Hall of Fame in 2009. Prior to those honors, he was roasted by the Old Timers Hockey Association at the Prom Center on April 24, 2007. Among the roasters were his college coach Ken Staples and assistant Larry Fronczak.

Later in life, Vic assisted at the Xcel Energy Center Media entrance on Wild game nights.

HOME OF THE HOME ICE ADVANTAGE

Xcel Energy Center is, without a doubt, home of the home ice advantage. The arena has been recognized with countless awards from ESPN, Sports Illustrated, Forbes, SportsBusiness Journal and Pollstar for being one of the best venues worldwide for sporting events, concerts and family shows.

Xcel Energy Center hosts more than 150 sporting and entertainment events and roughly 1.5 million visitors each year, and the arena will be the site of the 2016 U.S. Figure Skating Championships and the 2018 NCAA Men's Frozen Four.

The facility is consistently striving to attract world-class events that generate significant economic impact for Saint Paul and the surrounding region. That means constantly looking for ways to enhance our home ice advantage and give back to the fans.

Xcel Energy Center was the first NHL venue to offer AT&T Wi-Fi. Inside the venue, there are 274 Wi-Fi access points covering seats, concession stands and concourse areas. Fans can easily connect to the AT&T Wi-Fi network, and visitors with an AT&T smartphone or device can automatically connect without any login required.

In 2013, Xcel Energy Center added an official app that features push notifications for up-to-the-minute details on events, tickets and special offers. Plus, interactive social media features help fans plan the night with friends and give insider news. Fans can download the app at xcelenergycenter.com.

In 2014, two significant projects were announced. The first project was a comprehensive Daktronics technology upgrade at Xcel Energy Center that included a new custom HD LED center-hung video board that was nearly six times larger than the previous one, stretching from blue line to blue line. Although larger, its size was intentionally selected to complement the game or event, rather than dominate it. The design features the latest technology available and incorporates the North Woods motif already conveyed throughout the arena. Additional upgrades included replacement of the outdoor marquees and ribbon displays that encircle the interior arena fascia.

The second project, a full seat replacement for the facility, is scheduled to begin in 2015.

TAKING THE FAN EXPERIENCE TO A NEW LEVEL

Xcel Energy Center is known for being passionate about creating the best experiences imaginable for its guests, and that includes providing a setting that is a model of sustainable practices. In conjunction with the adjacent Saint Paul RiverCentre, Xcel Energy Center has proven success in helping national organizations 'green their event.'

And the world is noticing! In less than three years, Xcel Energy Center and Saint Paul RiverCentre have received seven awards in recognition of their commitment to sustainability.

SUSTAINABILITY BY THE NUMBERS
In just one year, we COMPOSTED nearly 295 TONS of material
In the past year, our energy renewal efforts have offset enough ENERGY to power 900 homes for one year
4,000 convention chairs were replaced and DONATED, keeping over 72,000 pounds of material out of landfills
By changing out just one simple device on our restroom faucets, we are SAVING 78,000 gallons of water per year
90% of our cleaning products contain EARTH-FRIENDLY ingredients or are made of recycled content
Over 1,500 lights have been UPGRADED to higher efficiency models
OVER 3,000 pieces of used youth hockey gear are redistributed to other players each year. Now that's RECYCLING!

Minnesota Sports & Entertainment (MSE) was originally formed in 1997 by majority owner Bob Naegele, Jr., and a group of investors when they were awarded the rights to an expansion National Hockey League (NHL) franchise for the City of Saint Paul

On June 25, 1997, the NHL officially approved expansion to 30 teams by the year 2000 with the announcement of new clubs in Atlanta, Columbus, Minnesota and Nashville. The Nashville Predators entered the League in 1998-99, the Atlanta Thrashers in 1999-2000. The Minnesota Wild and Columbus Blue Jackets began play in 2000-01.

On Jan. 22, 1998, Minnesota and hockey fans all over the world were introduced to the Minnesota Wild. During a historic ceremony at Maplewood's Aldrich Arena, the organization revealed the name which was chosen from thousands of suggestions offered by Minnesota hockey fans over a six-month period.

In front of a capacity crowd of hockey fans young and old, the logo was unveiled on the side of a large puck which descended from above center ice. The mark depicted the word "Wild" designed in an organic, naturalist form and included the team's official colors of Iron Range Red, Forest Green, Harvest Gold and Minnesota Wheat.

"We think it [Wild] represents what Minnesota hockey fans hold most dear — our rugged natural wilderness, the premier brand of hockey that's native to Minnesota and the great enthusiasm of all our hockey fans," said Minnesota Wild CEO Jac Sperling.

The Wild continued to honor the history and naturalistic tradition of the state of Minnesota when it unveiled its sweater on Nov. 18, 1999. Again, the club turned to its hockey roots by holding a ceremony to reveal the sweater at the Roseville Skating Center in front of a sold-out crowd of season ticket deposit holders. The crest of the jersey, one of the most unique and striking marks in all of professional sports, is a Minnesota Wilderness pictogram including a wild animal, the North Star, evergreen trees, a red sky, the sun and/or moon and a stream. It now appears on the front of the road white sweaters.

In 2003, the Wild unveiled a third sweater—now the team's home jersey—inspired by the heritage and tradition of hockey in Minnesota. The jersey incorporated the same colors found in the club's original home and road editions. The main color is Iron Range Red, with Forest Green stripes highlighted by Minnesota Wheat trim on the bottom band and shoulders of the jersey. The new crest featured the team's traditional animal head mark in a classic chenille icon with the team name, Minnesota Wild, offset by a Harvest Gold North Star on each side of the logo. The new sweater paid tribute to the heritage of hockey with a traditional lace-up collar in Minnesota Wheat. Also, in keeping with the simplicity of design and vintage look of the new jersey, no shoulder patches were created.

The Wild unveiled a new third jersey at the Minnesota State Fair's FAN Central building on Aug. 30, 2009. Based in the Wild's Forest Green with Wheat trim and a hint of Iron Range Red, the jersey's classic sports look was the overwhelming favorite of Wild fans surveyed during the summer of 2008. The jersey crest features a script "Minnesota" with "WILD" emblazoned below. The script look, including the classic "M", harkens back to historic Minnesota teams of the past including Minneapolis and Saint Paul teams of the 1930s and 1940s. The familiar "north star" element, borrowed from the primary Wild logo, dots the "I" and adds a decorative detail to the stylized "M".

The Wild unveiled a new white road jersey on Sept. 1, 2013, at a public event held at the Minnesota State Fair's FAN Central building. The new road jersey follows the more classic design style of the red home jersey unveiled in 2003 and the green alternate jersey unveiled in 2009. The jersey keeps the primary Wild logo at the center of the sweater and features Iron Range Red numbers and collar, including Minnesota Wild text hidden on the inside of the collar. Additional features of the new jersey are Forest Green lettering, a traditional lace-up collar in classic Wild Forest Green and the Wild circle crest as a shoulder patch. The new road uniforms include Forest Green stripes on the arms and waist of the jersey, as well as on the new white socks. The new road jersey design was led by the Wild's Creative Services team including Matt Minnichsoffer, Manager of Creative Services, in partnership with Reebok and the NHL. The Wild used season ticket holder feedback throughout the 18-month design and prototype process.

MINNESOTA WILD FOUNDATION

THE MINNESOTA WILD FOUNDATION EXISTS TO SUPPORT THE GAME OF HOCKEY AND TO IMPROVE THE LIVES OF FAMILIES IN THE STATE OF HOCKEY.

The Minnesota Wild Foundation, with assistance from Wild players, fans and devoted partners supports pediatric medical causes through events like "Wild About Children". In addition, the Foundation has helped several charities raise funds through an in-arena raffle, allowing designated beneficiaries to hold raffles during a Wild home game and take a portion of those ticket sales back to their non-profit organization. The Foundation serves as the largest non-member funding source for Minnesota Hockey and provides fundraising opportunities for youth hockey associations across the state.

Since its inception in 2000, the Minnesota Wild has invested over 10.6 million dollars back into our community through donations, grants and service. Wild players remain committed to making children's lives better through hospital visits, embracing a specific cause, donating tickets or suites to those in need or providing autographed merchandise for fundraising purposes. Wild player's "Better Halves" get into the action as well by volunteering throughout the community, hosting holiday parties for local charities and by helping raise funds through various sales throughout the season.

Our work in the community and on the ice is never done. The Minnesota Wild Foundation pledges to continue raising funds and giving back to our community, while being inspired by our passion for hockey and our compassion for those in need with the goal of Creating a Greater State of Hockey.

CRAIG LEIPOLD

OWNER & GOVERNOR

Craig Leipold is the majority owner and principal investor in Minnesota Sports & Entertainment (MSE), a regional sports and entertainment leader that includes the National Hockey League's Minnesota Wild, the Iowa Wild of the American Hockey League, 317 on Rice Park and the facility management of Xcel Energy Center, Saint Paul RiverCentre and the Legendary Roy Wilkins Auditorium. He oversees the day-to-day business operations of the organization and also serves as the team's Governor at NHL Board of Governors' meetings. The NHL's Board of Governors officially approved Leipold's purchase of MSE on April 10, 2008.

Under Leipold's ownership, the Wild is dedicated to building a Stanley Cup contending franchise, playing an important role in the community through service initiatives, providing a fun and entertaining game-night experience and building strong relationships with its fans and corporate partners.

A resident of Racine, Wis., Leipold completed the sale of the Nashville Predators to a local ownership group on Dec. 7, 2007, a team he owned since the expansion franchise was awarded to Nashville in 1997.

During his time as an NHL owner, Leipold has been a tireless advocate for the professional hockey industry. Appointed by NHL Commissioner Gary Bettman, Leipold serves on both the League's Executive committee and Audit committee. He was a member of the League Negotiating Committees that negotiated the Collective Bargaining Agreements with the NHL Players' Association in 2005 and 2013. He is also a strong advocate for the new, more "fan-friendly" NHL, including the rule changes to promote a more entertaining competition and increased fan access to the product.

Craig and his wife Helen (Chairman and Chief Executive Officer of Johnson Outdoors, Inc., and Chairman of Johnson Financial Bank Corp.) have five sons: Chris, Kyle, Connor, Curtis and Bradford. While in St. Paul, the Leipold's live in their apartment in the historic Saint Paul Hotel.

MSE is a regional sports and entertainment leader that has grown into several different business operations including the Minnesota Wild, its minor league affiliate the Iowa Wild, 317 on Rice Park and the facility management of Xcel Energy Center and Saint Paul RiverCentre.

During his tenure with the Wild, Majka has been instrumental in fostering the unique relationship between the hockey club and its fan base. The team's continued dedication to the fans of the "State of Hockey" is reflected in ESPN The Magazine's Ultimate Standings as the Wild was named the "Best Stadium Experience" in the National Hockey League from 2007-10. Minnesota ranked first in the NHL and sixth overall for "Stadium Experience" in the field of all 122 major league sports franchises in 2012.

MINNESOTA WILD WIRELESS INFORMATION

Wireless access is available throughout Xcel Energy Center by connecting to the attwifi network. No username or password is needed.

ACCESS: The Minnesota Wild organization and Communications department strives to make its players, coaches, management and other personnel available in a timely and responsible fashion to all accredited members of the media.

CREDENTIALS: Press seating at Wild home games at Xcel Energy Center is available to accredited media in the Al Shaver Press Box located on the south side of the Xcel Energy Center's press level. Single-game credentials must be requested by 12 p.m. the day before a game and by 12 p.m. on Friday for weekend games. Credential requests can be made through the Minnesota Wild media website at **www.wild.com/pressbox.** Once approved, single-game credentials may be picked up beginning 2.5 hours before game time at the Media Entrance located inside Gate 1, at the southeast entrance of the Xcel Energy Center on Kellogg Boulevard. The elevator to the pressroom and pressbox is located in the southwest corner of the Xcel Energy Center near Section 107. Due to limited press box seating, approved credential requests will be seated on an as-available basis. Those persons holding full-season Wild or NHL Team Management credentials MUST enter through Gate 1.

DAY-OF-GAME INTERVIEWS: After completion of the morning skate, which typically begins at approximately 10:30 a.m. (for a 7 p.m. start), is the best time to interview players and coaches on a game day. Following a practice, the Wild typically makes players available to media first followed by the Head Coach. Requests to interview a player upon his arrival to Xcel Energy Center for the game will be accommodated upon the player's and coach's approval and should be requested at the morning skate. If the team is not practicing, the request should be made to the Wild, or visiting team public relations department, no later than 10 a.m. on the day of game. The Wild Communications department cannot guarantee access to players or coaches if no practice is scheduled. Interviews that need advance preparation or special accommodation by a Wild player or staff member, such as live television and radio interviews should be made by contacting the Wild Communications department no later than 10 a.m. on the day of the game.

DAY-OF-GAME PRACTICES: On home game days the Wild will typically take the ice at 10:30 a.m. The visiting team's practice usually starts at 11:30 a.m. Call the Wild Communications department if there is a question regarding either team's practice schedule.

LOCKER ROOMS: NHL locker rooms close 90 minutes before game time. Requests for interviews to take place before the locker rooms are closed will be accommodated only upon prior approval by both the player and coach. The rooms will re-open five minutes after the game and remain open for 30 minutes. The officials' locker room is off limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Wild Communications department and a pool reporter may be assigned.

LOCKER ROOM GUIDELINES: The NHL prohibits media from using cell phones in locker room areas, including taking calls, photos and other cellular activity. Cell phones can only be used by media to record audio (not video). The Minnesota Wild does not allow anyone to step on the Wild logo located at the center of the locker room.

PHOTOGRAPHERS: Only those photographers on assignment will be allowed access to designated photography locations at rink level and in overhead positions. Xcel Energy Center spaces are accessible to local dailies and wire service photographers. Two photography positions are reserved for Wild team photographers. Additional photography positions are determined on a first-come, first-served basis; however, in cases of increased photographer attendance, positions will be assigned by team photographer, Bruce Kluckhohn. In all cases, photographers should check in with Bruce Kluckhohn in the pressroom before the start of warm-ups. Because of very limited photography locations, it is not possible to accommodate freelance photographers.

PRESS DINING ROOM: Media possessing season credentials or those granted single-game credentials are invited to have a meal before each game in the press dining room, located on the lower level (Xcel Energy Center's south side). The Minnesota Wild charge media $11 to eat in the press dining room. The room opens two-and-one-half hours before game time. Dining room usage is limited to those presenting valid Wild credentials or NHL Team Management passes. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Refreshments are also available in the press box during the game.

TELEVISION COVERAGE: All television stations are prohibited by the National Hockey League from shooting and distributing game footage of any contest that is being broadcast from Xcel Energy Center by the Minnesota Wild, the visiting team or network television. Requests for special features and the like should be directed to the Wild Communications department.

MEDIA PARKING: The Wild Communications department will issue full-season parking passes to media expected to attend the majority of home games throughout the 2014-15 season. All other parking requests will be handled on a per-game basis and are subject to availability. Media parking is located in the RiverCentre Parking Ramp across Kellogg Boulevard from Xcel Energy Center. The ramp has two entrances: on Kellogg Boulevard and on Exchange Street, which can be accessed via Eagle Street (at the Kellogg and West Seventh intersection). To enter the arena, media should take the West elevator to Skyway Level and enter the arena through the skyway entrance to Gate 1. An alternate option is to cross Kellogg Blvd. and enter through the main entrance at Gate 1. Media parking is available in the RiverCentre Parking Ramp for all practices and morning skates by showing a parking attendant your Minnesota Wild media credential and/or your company issued media identification. A Wild media credential and/or company issued media identification will not allow you access to the parking ramp for games.

MEDIA RESOURCES
